

8/19-8/23 LEGOS & ENGINEERING

Calling all master builders! Put on your construction hats because we need our creative engineers! We are going to build bridges, construct buildings and create our own amazing structures with LEGOS, DUPLOS & tubes connectors. We will have a LEGO good time playing LEGO games and LEGO painting. Lets get creative and build great memories together!

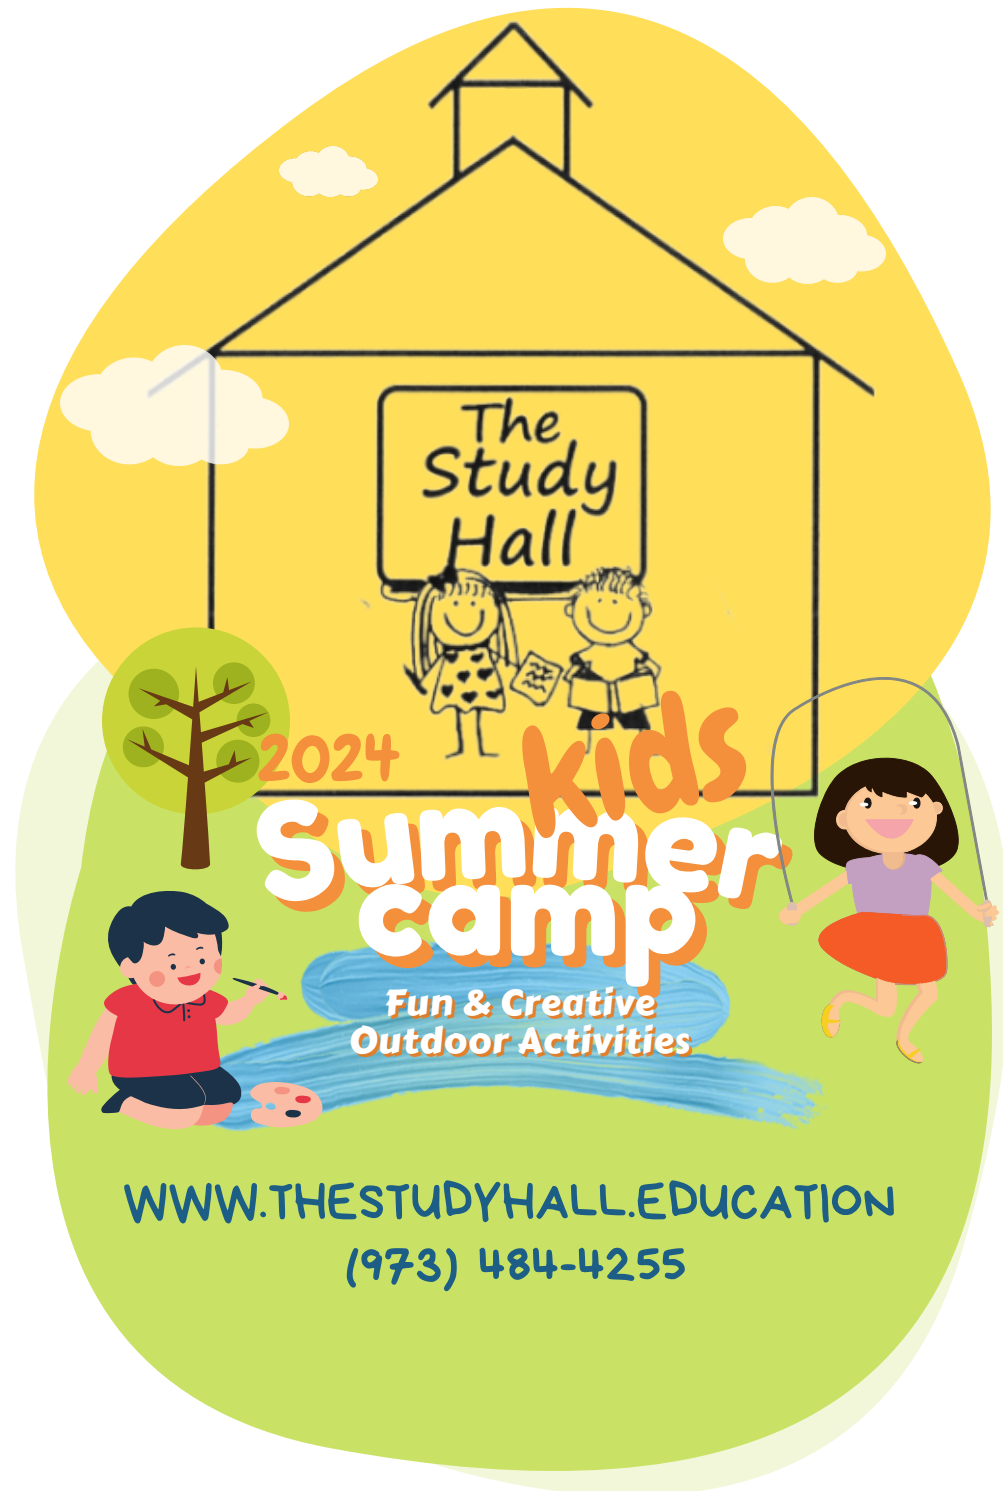

8/26-8/30 CARNIVAL FUN

It's time for carnival games, and carnival snacks! A perfect way to end our summer camp journey. Each camper will have the opportunity to play mini-carnival games, have their face painted, create a spin art and participate in field games of sack races, water balloon tosses, hula hoop contests, etc.

100 FRANK E RODGERS BLVD N.
HARRISON, NJ 07029

The Study Hall has an exciting, fun and educational Summer Camp. Our program integrates social and academic skills with an opportunity to explore in a creative, fun and safe learning environment with our staff experienced in the field of early childhood education.

7/8-7/12 GARDENING WEEK

We will be greeting our campers with a fun filled week learning about gardening! We will be decorating our own pots and learn about different plants and flowers and what they need to grow.

7/15-7/19 AMAZING ANIMALS

Join us for an interactive experience with live animals and to learn all about them. What kind of animal would you like to be for a day? What animals have tails? We'll make animal masks and do special art projects. We will learn about all types of animals, including ants, with our ant farm! It's going to be a roaring good time for everyone!

7/22-7/26 MINI CHEFS

We are decorating our own aprons and chef hats to gear up for this week. The goal is to work on our chopping and listening skills as we follow along with recipes while making a fruit salad and mug muffins. We will also visit La Pizza Pizzeria and make our own pizza, a great start for the love of cooking.

7/29-8/2 SPORTS WEEK

Our campers will have the opportunity to engage and learn in various sports throughout the week! Basketball, kickball, soccer and bowling!

8/5-8/9 DINOSAUR ROMP

It's dazzling dinosaur party this week. Lets romp with the big guys and learn all about dinosaurs. We will "dig" up some dinosaur bones, make crayon rubbing art and create our own dinosaur fossils! Let's go on a dino hunt, experience the volcanoes erupting and have a good time.

8/12-8/16 ART WEEK

It's time to get ooey and gooey and have lots of fun! We will make clean mud and create beautiful art with shaving cream and watercolors. We will get messy with finger painting and exciting science experiments. Mix and knead your own playdough to perfect consistency and take it home.
