

January

class newsletter

Welcome Back! Happy New Year! This month, the class will continue to discover different characteristics of various percussion instruments with an investigation of how people make and play them, along with what sounds they produce. Consequently, we will conclude the study with a celebration of learning that highlights the children's exploratory work!

-Ms. DiRenzo

Special Events:

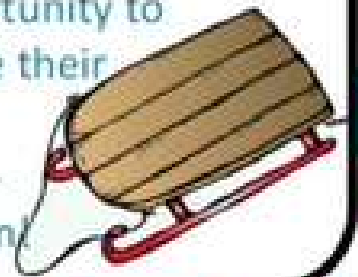

January 2:
School Reopens

January 8:
1:00PM Dismissal
(Teacher In-Service)

January 20:
1:00PM Dismissal
(Martin Luther King Jr. Day)

Birthdays:
January 24: Mauri

The class will also review letters, numbers, shapes, syllables, rhymes, & social emotional skills. They will also work on a fun winter family project, in which they will have the opportunity to create their own snow-person.

Reminders:

- *Don't forget to bring in Clorox wipes, tissues, baby wipes, and a gallon of water at the beginning of this month.
- *Always remember to bring your child's backpack, lunchbox (with ice pack), and folder to school everyday!
- *Please dress your child accordingly.
